

# Welcome to the Df 65 Global Championship 2024 in Nynäshamn

## About NSS

Nynäshamns Segelsällskap is one of the larger yacht clubs in Sweden and one of the oldest, with its approximately 1200 members and established in 1915. Over the years we have arranged several regattas on national as well as international level, from dinghies like Optimist to yachts like the R12. Even 100 ft yachts have raced here at the Big Boat Cup. The most spectacular one was the 100 year Olympic Regatta in 2012.

However, this is the first time we arrange an international regatta for radio controlled boats and we are very happy to have the opportunity to arrange the Dragonforce 65 Global Championship at our yacht club, NSS, which is located at the beautiful Strandvägen, in Nynäshamn.

## Accommodations

There are two hotels rather near NSS. The Skärgårdshotellet (means Archipelago Hotel) close to the railway station and the ferry harbour (ferries to Gotland and Poland), 1,8 km from NSS, and the Nynäs Havsbad Hotel och SPA (means Nynäs Sea Bath Hotel and SPA) just across the bay from NSS and 1 km by car or foot. If needed we will arrange with transport from the hotels to NSS and back again.

If you come with a caravan or mobile home we have the possibility to host your vehicles on our property.

There is a parking lot in front of our old club house, *The Yellow House*.

If you by any chance are coming with your own boat you can dock in our guest harbour in the same area.

## Registration, measuring, etc.

The race office will be at our new club house, *The Grey House*, at the shore. Here is where the registration and the measuring of the boats will take place.

During the race days, lunch will be possible to buy here.

Here is also where toilets, showers and sauna are located in a separate part of the building.

On the north side of the building, on the harbour plane, is our very, very local pub locatet. Here we will have the opening ceremony and the After Sails.

On the south side, on the shore, there will be a large tent where the sailors can store and/or fix their boats during the day. Here is also where the regatta dinner will be served.

The judges committee will have their office on the second floor.

If needed, you can store your boat over night locked up in The Grey House, The Yellow House or in the racing storage.

## How to get here

You can take the commuter train from Stockholm City to Nynäshamn. The end station, there are three stations in Nynäshamns town.

If you go by car you follow the route 73 until it ends. Then you just keep on following the road

passing the ferry harbour, the railwaystation, a park and a school. Then you cross the railway, turn left and follow the shore, pass the Hembygdsgården, until you see the NSS area. Google maps may tell you something different, don't trust it.

By foot you either walk through the park and than follow the same way as the cars, or you follow the pathway that goes between the shore and the railway passing the guest harbour and the yacht harbour that also belongs to NSS until you reach the bridge over the railway and then turn left and follow the same route as the cars.

## **Socials**

Every day after the races the pub will be open, serving beer from our local brewery, wine, soda and some small dishes like hot dogs or hamburgers.

For those who doesn't compete and don't want to stay in the race area there is a beautiful walk if you just pass the NSS area and follow the shore southwards. The city center is about 15 minutes walk in the other way and on the way you'll pass the Guest Harbour and Turist Information.

<https://nynashamn.se/uppleva/for-visitors/visit-nynashamn>

On the lay day we can offer you a trip out into the archipelago with an old passenger boat called Flora. If there is an interest we can arrange a beer tasting at the local brewery, Nynäshamns Ångbryggeri, or a chocolate tasting at our local chocolateri, who provides pralines to the Nobel Prize dinner or maybe a guided bus tour to see the country side with all it's rune stones and old churches.

We really hope that you will enjoy the races and your stay here in Nynäshamn.

Once again;

WELCOME TO NYNÄSHAMNS SEGELSÄLLSKAP

(Nynäshamns Yacht Club)

Gunilla Djupfeldt

project manager NSS
